

The Haunted Warehouse

It is haunting to know the truth about hunger.

The truth is over 53,000 Galveston County residents face food insecurities. That is 1 in 6 who need our assistance. Hunger affects children, seniors, persons with disabilities and even working adults. We invite you now to help raise awareness on the hunger issue, inspire action and drive resources to our organization.

GCFB will host the 4th Annual “Haunted Warehouse”, a unique fundraising experience for the Galveston County community. Once again, we will be converting the heart and soul of our operations into an event that will forever change lives. Hosting this event at the food bank helps keep overhead cost at a minimum, ensuring that more contributions received from individuals and sponsors will go directly to our mission to end hunger.

We need your help. We need community supporters like you as sponsors and advocates for our upcoming 2-day fundraiser. Sponsor levels start at \$125.00. Tickets and sponsorships can be made on our donation page by utilizing our QR code on the sponsorship form. The higher sponsorship levels will include your logo on printed poster, banner, carnival tent in children’s activity area, eblast, website and social media. Logo information needs to be submitted by August 10th. We would love you to be a sponsor, attend the costume party, or donate a silent auction item. **Of course, we will thank you on all of our social media platforms for supporting GCFB.**

I look forward to hearing from you and remember

Hunger is scary
the whole year
not just at Halloween.

Help us lead the fight to end hunger in Galveston County.

Thank you,

Julie Morreale
Development Coordinator

The Haunted Warehouse.....because Hunger is *Scary*
